Monarch Butterfly

“Find out why butterflies like to puddle and other trivia, such as, why couldn’t the butterfly go to the dance?” says Cathy Grant, Education Instructor with Central Lake Ontario Conservation. “It will be fun for all and on the hike we will also be looking at other creepy crawlers that are hiding in our midst.”

To register for a butterfly hike or for more information please contact Cathy Grant at (905) 579-0411, ext. 108 or email cgrant@cloca.com. All hikes will start from the Group Camping parking lot and last for approximately 2 hours. Hikers are asked to dress for the weather, wear walking shoes and bring bug spray as mosquitoes are also a part of nature.

Directions:

To get to the Group Camping parking lot, take Brock Street in Whitby to Taunton Road; turn west and travel to Country Lane Road. Turn right onto Country Lane Road and travel to Lyndebrook Road. Turn right and the parking lot will be on the left side of the road.
