

citizens'environmentwatch

a partner with Save the Oak Ridges Moraine Coalition in the Monitoring the Moraine project

Citizens' Environment Watch invites you to a free Tree Health training and monitoring session as part of our Monitoring the Moraine Project. Learn how to protect the trees you love on the Oak Ridges Moraine!

Training Session: Wednesday, July 30th, 6:30pm – 8:30pm
Enniskillen Conservation Area

Monitoring Sessions: Saturday, August 16th, 10:00am – 3:00pm
Long Sault Conservation Area

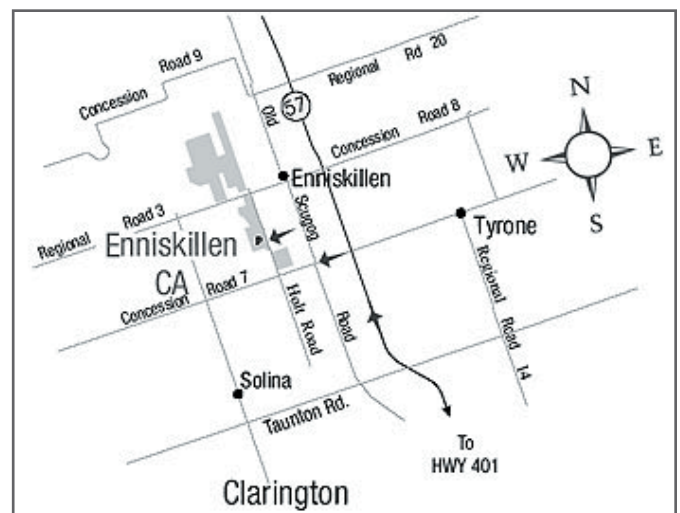

Sunday, August 17th, 10:00am – 3:00pm
East Cross Forest

Information on size, appearance and health of trees will be collected in our forest plots to track the health of these moraine trees for years to come.

These events will happen rain or shine. It is highly recommend that volunteers attend the training session prior to the monitoring session. Refreshments will be provided.

For more information and to RSVP, please contact Cliff at Citizens' Environment Watch by calling **1-647-258-3280 x2008** or by emailing **Clifton@citizensenvironmentwatch.org**.

Directions:
Exit 401 at Waverly Rd.
Travel North on Regional Rd. #57.
Turn Left at Concession Rd. 7.
Turn Right on Holt Road and follow the signs.

These events are offered with the support of the Central Lake Ontario Conservation Authority, Kawartha Conservation and the Oak Ridges Moraine Foundation.
