FREE Tree Identification Workshop For Beginners

Saturday, June 13, 2009

9:30 am to 12:30 pm, Lunch Provided,

Registration Required

Education Centre, Enniskillen Conservation Area, Clarington

Thinking of creating a woodlot or improving an existing woodlot on your property and do not know where to start? Then join us on Saturday, June 13th as Central Lake Ontario Conservation and the Caring for the Moraine Project host a FREE tree identification workshop for beginners from 9:30am until 12:30pm at the Enniskillen Conservation Area Education Centre in Clarington.

“If you are interested in trees you will not want to miss this event as we are very lucky to have registered professional forester and teacher Edward L. Borczon to lead this workshop,” says Sasha Lambrinos, Stewardship Specialist with Central Lake Ontario Conservation. “After a classroom and outdoor session, participants will have a variety of resource materials to take home, a good understanding of tree identification techniques and be confident to move forward with their woodlot and reforestation or land management plans.”

For more information or to register for this FREE workshop please contact Sasha Lambrinos at (905) 376-4461 or email sasha@eagle.ca. **Reservations will be taken on a first-come, first-served basis as space is limited.** More information and directions are available at www.cloca.com

Directions to Education Centre, Enniskillen Conservation Area:

Exit 401 at Waverly Rd., Travel north on Reg. Rd. #57, Turn left at Concession Rd. 7, Turn right on Holt Rd. and travel to the main entrance on the left. The Education Centre is just inside the main entrance.

What we do on the land is mirrored in the water.
