Enjoy a Family Snowshoe at Enniskillen Conservation Area

Monday, February 15, 2010
10:00am to 2:00pm

On Family Day, Central Lake Ontario Conservation invites you to join us at Enniskillen Conservation Area for some family snowshoeing fun! On Monday, February 15th, conservation staff will be hosting a FREE Family Snowshoeing Day at the Enniskillen Conservation Education Centre from 10:00am to 2:00pm.

This is a come-and-go event where families will be able to borrow snowshoes and explore the trails. During the day, conservation staff will be on hand to loan snowshoes and give some snowshoeing pointers to beginners. Staff will also be leading two snowshoeing hikes starting at 11:00am and 1:00pm.

This event is FREE and in the case of poor weather conditions please check the Authority web site at www.cloca.com or call (905) 579-0411, opt.3 for event status.

“Although snowfall this year has been light, there is still enough for some snowshoeing fun.” says Cathy Grant, Education Instructor with Central Lake Ontario Conservation. “We will also have some other activities for kids and visitors are asked to lug-a-mug for some hot apple cider after their snowshoe.”

Central Lake Ontario Conservation would also like to *Tip Our Toque* to Mountain Equipment Co-op for their generous donation of 60 pairs of snowshoes that will be used for Family Day and also in local school programs.”

For more information on the Family Snowshoeing Day please contact Ms. Cathy Grant, at the Conservation office at (905) 579-0411, ext. 108 or email: cgrant@cloca.com.

Julia (left) and sister Alicia test out the new snowshoes donated by Mountain Equipment Co-op.

What we do on the land is mirrored in the water.
