Summer Fun In The Conservation Areas

Need a break? Escape to nature and enjoy summer programs offered by Central Lake Ontario Conservation. Free for families and adults during July and August in our local conservation areas.

“We are very pleased to once again offer FREE public summer programs in the conservation areas,” states Gord Geissberger, Coordinator of Community Outreach with Central Lake Ontario Conservation. “With new people moving into Durham we want to introduce them to our conservation areas and facilities that are close to their homes and available for their enjoyment.” All programs have an environmental theme and are held on Tuesdays, Wednesdays, and Thursdays at various times including some evening programs. The programs launch on Tuesday, July 4 with an Information Evening and Scavenger Hunt at Heber Down Conservation Area in Whitby at 6:30 pm.

A complete schedule of July and August events are available online at www.cloca.com or weekly event information is available through the Public Events Info Line at (905) 579-0411, Opt. 3.

All events are FREE, however registration is required for the daytime programs and parents are required to stay with their children during the program. Please contact Ms. Cathy Grant at the Central Lake Ontario Conservation Authority office (905) 579-0411, ext. 108 (E-mail: cgrant@cloca.com) to register for a program.
