Central Lake Ontario Conservation

Thank you for taking the time to attend this evening's Public Information Centre.

Please feel free to speak with CLOCA staff if you have questions, comments or suggestions.

We have provided "Comment Sheets" where you can provide your specific input on the Lynde Creek Watershed Plan as well as a "Stakeholder Views" handout that we would very much appreciate your feedback on.

Stakeholder Views

Central Lake Ontario Conservation

As an interested stakeholder in the watershed, CLOCA would very much appreciate you providing your views on the following issues. We'll consider these in the planning for future interaction and cooperation with the community.

What are your main concerns or interest regarding the natural environment in your community / watershed?

How do you incorporate environmental activities / thinking into your daily lives?

What are some of the key reasons that you may not participate in environmentally responsible behaviours or programs? (time, finances, knowledge etc.)

Would you , or your family, be interested in attending or participating in CLOCA environmental events?

Do you have an interest in working with CLOCA to undertake stewardship opportunities on your property?

What activities, programs, events or information would you like CLOCA to pursue in the future that would be of interest to you or your family?
