The Central Lake Ontario Conservation's jurisdiction is completely contained within the Region of Durham and is 638 square kilometres (246 square miles). It is defined as the land drained by the above fifteen watersheds.

Our Municipal Partners:

- Regional Municipality of Durham
- City of Pickering
- Town of Ajax
- Township of Scugog
- Municipality of Clarington
- Town of Whitby
- City of Oshawa
- Township of Uxbridge

Keep this detailed map handy when reviewing the rest of the checkup maps to help navigate the watersheds and landscape features we reference.
