

# Chickadee Food Scavenger Hunt

Chickadees eat all of the items pictured below. Look around and see how many food sources you can find. Evaluate your results based on the scale below.

0			
1	Chickadees won't live nearby; if seen, they probably pass through occasionally but overnight elsewhere.	<b>Crawling Insects</b>	<b>Flying Insects</b>
2			
3	Chickadees may live in the area and pass through frequently.	<b>Spiders</b>	<b>Caterpillars</b>
4			
5	Chickadees likely live nearby and have all the food they can eat!	<b>Insect Eggs</b>	<b>Nuts</b>
6			
		<b>Berries</b>	<b>Seeds</b>
