

Healthy watersheds for today  
and tomorrow.

Dear Parent or Guardian:

Our class will be attending a field trip to \_\_\_\_\_ Conservation Area on \_\_\_\_\_. This program is being delivered by staff from the Central Lake Ontario Conservation Authority. Our program(s) is/are \_\_\_\_\_. All programs are geared to meet our current school curriculum and provide students with valuable hands-on outdoor activities that will help them to learn and reinforce concepts from our science, social studies and/or geography curriculum.

To ensure a fun and productive day for students please ensure they are dressed appropriately.

Suggested Dress	
Fall/Spring	Winter
Sunscreen	Hat, mittens, scarf
Bug Repellent	Windproof insulated jacket
Hat	Snow pants or wind proof pants
Long pants/long sleeved shirt	Thermal underwear
Rubber boots or old shoes – no sandals or flip flops	Waterproof warm, low heeled boots
Windproof jacket or rain gear	Extra socks and mittens
Extra socks and shoes	Sunscreen

The Conservation Authority promotes Eco-School program initiatives. Please try to send a garbage-free lunch with your child by packing food and drinks in reusable containers if possible. Drinking water is not supplied; please ensure you pack enough fluids for your child.

We look forward to an educational program that will help foster an appreciation of the natural world, while enhancing our curriculum needs.

Sincerely,

Cathy Grant  
Cara Gregory  
Program Facilitators
